

IELTS SPEAKING

雅思口语课纪要

考试流程 · 换题与复议 · 四大评分标准 · 核心语料库（最终整合版）

课程来源：新东方雅思口语课（课件 + 课堂语音整理）

整理日期：2026 年 7 月 23 日

一、考试流程与题型（机考）

部分	时长	形式	要点
Part 1	4-5 分钟	日常问答	3 个话题，每题答 20-25 秒，简单题无需复杂铺垫
Part 2	3-4 分钟	个人陈述	1 分钟准备 + 2 分钟陈述 + 1 个 follow-up（约 20 秒）
Part 3	4-5 分钟	双向讨论	抽象话题，需宏观视角，填充句主要用在这里

重要澄清：考官打断你只是控时，不是负面评价，不用慌。

二、换题规律与考试时间选择

- **换题周期：**每年换 3 次，每 4 个月一轮：1-4 月、5-8 月、9-12 月。
- **题库构成：**上季保留题占比超过 50%，其次为旧题回顾改编，全新题很少（且多为往年旧题重现）。
- **备考策略：**当前季度题库对下季度仍高度有效；按**专题**（购物、教育、科技等）积累语料而非死背单题，可应对不同季度的题目变化。
- **考试时间：**换题月（1/5/9 月）会出现 10%-20% 全新题，**尽量避开换题月**；若必须考，则**避开该月第一周**，中下旬题库趋于稳定。

三、复议（EOR）机制

- **适用范围：**仅写作、口语两个人工评分科目。
- **费用：**1400 元人民币，单科双科同价（历史价格，以报名官网当年公布为准）。
- **结果：**提分 → 全额退款 + 更新成绩单；分数不变 → 不退款；**分数只升不降**，不会降低。
- **决策逻辑：**对照评分标准自评，确认自己符合更高档位再复议，否则具有赌博性质。

四、计分规则（易忽略）

- **四项小分：**流利与连贯、词汇、语法、发音。
- **口语小分：**四项评分标准平均后**向下取整到 0.5**（如平均 5.75 计为 5.5，5.25 计为 5.0），即"小分只退不进"。
- **总分：**听说读写四项平均后，.25 进到 .5、.75 进到下一整分（如 6.25 → 6.5，6.75 → 7.0），即"总分进位"。
- 想拿 5.5，通常需 2-3 项小分达到 6 分标准。

五、四大评分标准要点

1. 流利性与连贯性 (Fluency & Coherence)

- 三个抓手：语速/卡顿、内容详尽（扣题/细节拓展/逻辑）、连接词多样。
- 6分：willing to speak at length（敢说长），允许偶尔 repetition / self-correction / hesitation；使用 a range of connectives and discourse markers（虽不总恰当）。
- 5分：靠重复、自我纠正、放慢语速来 keep going；**过度使用单一连接词**（只会 and / because）；只能流利说简单句，复杂表达就卡。
- 内容详尽 = 观点 + 原因或举例，严禁跑题和车轱辘话。

2. 词汇多样性 (Lexical Resource)

- 高分不靠生僻词，靠**话题词汇 + 词汇灵活性 + 改述 (paraphrase)**。
- **词汇灵活性** = 熟练同一单词的不同词性变形：
 - taste (v./n. 品尝；n. 品位) → tasty 好吃的 / tasteful 有品位的 / tasteless 低俗的
 - inform → informative 信息量大的；knowledge → knowledgeable 博学的；predict → unpredictable 难预测的
- **改述评分差异**：5分 = 尝试改述但常失败；6分 = 60%–70% 改述成功；7–8分 = 越来越精准，贴近母语者表达。
- **习语**（7分+ 要求，控制在约 10%）：break the ice（破冰）、bite the bullet（迎难而上、硬着头皮做）、hit the nail on the head（一针见血）。

3. 语法多样性与准确性 (Grammatical Range & Accuracy)

- 评分基于考官整体直觉，而非机械计算错误次数。
- 偶发错误（如时态混淆）不影响分数；**同一语法点反复错**才会被认为没掌握。
- 关注：句式多样、时态、单复数（中国人最易错点）。
- 不要因怕错减少输出，先保证内容量和句式多样性，再多说基础上优化语言。

4. 发音 (Pronunciation)

- 6分 = 发音清晰、单词可被清楚识别即可；7分+ = 抑扬顿挫、适当停顿、重读和语调变化。
- **口音不扣分**：英音美音一视同仁；家乡口音（如儿化音）只要不影响清晰度就不扣分。
- **训练方法**：每天 15–20 分钟模仿跟读剑桥真题听力文本，完全模仿语调、重音、连读并带入情感角色，坚持一个月可见显著效果。

六、答题方法论：Opinion + REC

每个 Part 1 回答的基本结构：**先给观点 (opinion)，再用 REC 展开**——Reason（原因）/ Example（举例）/ Comparison（对比），任选或组合使用。

1. 开头给观点的多种方式（避免只会 Yes/No）

态度	表达
肯定	For sure. / Yes, definitely! / Certainly! / Absolutely!
否定	I don't think so. / Not really. / Absolutely not.
分情况	It depends, ... （高分思路，后接分类讨论）
通常来说	Normally, ... / Basically, ...
个人来讲	Personally, I will ... / Personally, ...

七、核心语料库

1. 连接词（Connectives）

逻辑	表达
原因	since / as
转折	however / although
对比	instead / rather than
并列	plus / also / besides / on top of that
举例	like / especially

2. 语篇标记词（Discourse Markers）

Personally / Basically / Normally / Actually / To be honest / Honestly / I mean / Anyway / Well / Um

作用：自然引出观点、提供思考缓冲，使表达更像自然交流。不要堆砌使用。

3. 战术停顿句（争取思考时间，分散使用，勿堆砌）

- That's an interesting question. I've never thought about that before. Let me see...
- Well, it's hard to say, but perhaps...
- Off the top of my head, maybe...
- That's a tough one. Give me a sec.

4. 万能句式

- [Doing sth.] is one of my favorite things to do.（动名词作主语）
- It's a great way to unwind and feel connected.
- I find [doing sth.] a bit tiring.

- I prefer spending quality time with... rather than...
- I'm not a huge fan of... (委婉表达不喜欢)
- But that's about it. (仅此而已, 收尾用)

5. 高频替换词

基础表达	高分替换
relax	unwind (注意发音 /ˌʌnˈwaɪnd/)
tired	drained / burnt out (筋疲力尽、"燃尽")
good	great / wonderful / nice / brilliant / fantastic
beautiful	pretty / lovely / splendid (景观建筑) / stunning
important	vital / crucial / essential / significant
my favorite	my go-to (snack) / my top choice
make me happy	cheer me up / give me a quick energy boost (快速回血)
I can't stop doing it	I don't think I could ever give it up (戒不掉, 万能收尾)
腻	sweet (用简单词替代难表达的"腻")
热量高	high in calories / fattening
想吃又怕胖	guilty pleasure (掺杂愧疚感的愉悦)
chat with friends	catch up with friends (叙旧/联系)
I don't like it	not a huge fan of... / feels like a waste of time
I think	It feels like... / I find... / Personally...

6. Part 1 高频题模板 (工作/学习类)

模板 1: Do you work, or are you a student? (学生版)

- I'm a university student, **currently majoring in** [专业], at [学校].
- I'm in my (first/second/third/final) year. I'll graduate in June this year.
- I'm considering pursuing **further education** in [国家] in order to **broaden my horizons**.
- I just graduated, and I'm currently **taking a gap year** before deciding on my next step. (课件简写为 taking a gap, 考场上建议说全 gap year, 更地道)

模板 2: Do you work, or are you a student? (工作版)

I work as a [职位] at/in [行业/公司]. **I've been in this role for** [时间] now.

模板 3: Do you think your school is suitable for study?

语料: modern and bright / provide a good atmosphere (正面); crowded and noisy (负面)

肯定: Yes, I think so. My school has a very good library **which is my favorite place to** study because it's always quiet. **Also**, most of the classrooms are modern and bright, so they provide a good atmosphere for learning. It's a nice environment for students.

否定: Honestly, my school **isn't great for** studying. The problem is, the libraries and study areas are always pretty crowded and noisy, so **it's hard to focus**. I usually just study at home or at a quieter cafe nearby — that **works way better** for me.

模板 4: Do you prefer to study alone or with others?

语料: go at my own pace / get things done / turns into / productive / get stuck / keep me motivated

独自: I definitely prefer studying alone. I just focus better when it's quiet and I can go at my own pace. Group study often **turns into** social time for me, which is fun, but not very **productive**. So yeah, studying by myself is just way more efficient **at** getting things done. (注意介词用 at, efficient at doing sth.)

结伴: I prefer studying with others. It's just more fun, and we can keep each other motivated. Whenever I **get stuck** on something, there's always someone to discuss it with.

7. 话题语料 (聊天/购物类)

sociable person (善于交际的人) / feel connected (连接感、归属感) / deep conversation (深度交谈) / small talk (闲聊寒暄) / silly memes (搞怪表情包, 自嘲非贬义) / quality time (高质量陪伴或独处时间) / daily essentials (日常必需品) / a waste of time (浪费时间)

8. 课件范例

范例 1: Do you like chatting with friends?

Absolutely! I'm a pretty sociable person, so catching up with friends is one of my favorite things to do. It's a great way to unwind and feel connected. Whether it's a deep conversation or just sending each other silly memes, it's really fun.

范例 1 变体 (否定/中立): Do you like chatting with friends?

语料: a talkative person / a bit draining

I enjoy talking to my friends. But I have to say, I'm not a talkative person, and I often find small talk a bit draining. I prefer **spending quality time with** one or two close friends, just watching a movie or trying new things, **rather than** constant chatting.

范例 2: Do you like shopping?

Honestly, I'm not a huge fan of shopping. I only go when I really need something, like new clothes or daily essentials. Browsing for hours without a purpose just feels like a waste of time to me.

七、练习达标线（每题自查）

1. 至少 1 处原因或举例；
2. 至少 2 个逻辑连接点（并列 / 转折 / 因果）；
3. 至少 1 个语篇标记词。

八、课后作业

- 整理四个评分维度的笔记；复习重点例题，理解高分表达背后的逻辑；
- 准备下节课关于评分标准的提问；
- 题库预习：plan / subject / teacher / team / hobby 等 Part 1 高频话题。
