

雅思口语课纪要

考试流程 · 答题框架 · 常用句式与词汇 (Part 1 / 2 / 3)

新东方雅思口语课

2026 年 7 月

一、考试流程与评分要点

部分	时长	形式	要点
Part 1	4-5 分钟	问答，3 个话题	每题回答 20-25 秒
Part 2	3-4 分钟	1 个话题独白	1 分钟准备 + 2 分钟陈述，之后 1 个 follow-up 问题（约 20 秒）；唯一有准备时间的部分
Part 3	4-5 分钟	深入问答	无准备时间；要求更长、更详尽、更客观的回答

Part 3 评价维度

- **扣题**：不答非所问，充分理解题干关键词
- **充分展开**：有解释（原因 / 例子 / 对比等）
- **客观视角**：讨论"人们"，而非只讲个人经历
- **逻辑框架**：使用框架结构辅助内容输出，衔接自然不死板

二、Part 1：学科类话题框架

三种情况的答题逻辑（Have you ever studied ...?）

情况一：学过并喜欢

Yeah, I did. It was actually a **compulsory subject** in middle school. Mostly [具体内容]. I wasn't amazing at it, but I found some parts, like [具体例子], actually pretty interesting.

情况二：学过但无感

Yeah, we did have [学科] at my school, but honestly, it was **not my thing** during that time. I found all the stuff about [内容A], [内容B], and [内容C] pretty boring. **I just did it because I had to, not because I enjoyed it.**

情况三：学校没开过这门课

We didn't have [学科] classes in my school, but sometimes I watched educational videos / documentaries online.

地理学科可用素材

- basic map reading 基础读图
- capital cities and rivers 首都与河流
- human geography: different cultures in different countries 人文地理
- physical geography: climate zones, climate change, how rivers form 自然地理

Part 1 万能否定框架

No, not really. I mostly _____. Sometimes I _____, but **that's about it**. So yeah, I don't _____ a lot.

- 博物馆：I mostly go only when my friends **drag me along** or when there's a special exhibition that **catches my eye**.
- 购物：Honestly, **I'm not a huge fan of** shopping. I only go when I really need something, like new clothes or **daily essentials**. Browsing for hours without a purpose just feels like **a waste of time** to me.
- 写作：No, not really. I mostly just take notes in class and write down the key points. Sometimes I have to write a short assignment, but that's about it.
- 做计划：I'm **an organized person**. Having plans really helps me **stay on track** and makes me **feel more prepared / in control**. Plus, there's something satisfying about **ticking things off a list**.

修正点："选修课"课件写作 selective subject，更地道的说法是 **optional course / elective**。必修 = compulsory subject。

三、Part 2：人物类话题（IMC 三段式）

答题结构

段落	时长	内容
Intro	约 30 秒	人物 + 相识经历（时间/地点）；避免大段外貌描写
Main points	约 1 分钟	具体行为 + 人物性格（用事例支撑，不堆形容词）
Conclusion	约 30 秒	评价 + 学到的东西

核心策略——反差设计：人物在某方面的表现与日常印象相反。例：平时大大咧咧（chill / carefree），但做旅行计划时极度严谨（detail-oriented）。

Intro 句式

- The person I'd like to talk about is my friend, Lisa. I think she's probably **the most organized person I've ever met**, at least when it comes to travelling.
- **I've known her for** about three years.
- **We weren't really close at first, but then we ended up ...** (travelling around Europe together / texting every single night / living together for two years)

Main points 句式（反差 + 具体行为）

- In daily life, she's actually quite **chill** and sometimes even forgets things. But **when it comes to** making travel plans, she **completely changes**.
- In daily life, my roommate is super **carefree** and sometimes even loses his keys. But when it comes to studying for exams, he becomes **super focused and organized**.
- She made a whole schedule — which train to take, what time to leave the hotel, which restaurants to eat at, and even **backup plans in case** something got cancelled. She also **checked the weather** and **packed things** like an umbrella and extra socks for everyone.
- **I'm the kind of person who** just books a ticket and **figures things out along the way**, so at first I thought she was being a bit too careful.
- But during the trip, **everything went so smoothly**. We never **got lost**, never had to wait long for food, and we didn't **waste any time deciding** what to do next.

Conclusion 句式（评价神器）

- **I feel like** she's **someone I can truly rely on when it comes to ...** (giving advice / making quick decisions under pressure / keeping secrets or cheering me up)
- **I have a lot of respect for** her.
- **I really appreciate** her planning skills. (skills 比 ability 更自然)

I'm the kind of person who ...（自我定位，万能）

- ...needs a few days to recover after too much socialising. (社交一多就需要缓几天)
- ...overpacks for a three-day trip. (出门三天也要塞满整箱行李)
- ...takes forever to decide, even on something as simple as what to eat. (连吃什么都纠结半天)

语法提分点：when it comes to 的 to 是介词，后接动名词（when it comes to **giving** advice）；I've known her for ...（现在完成时）和 the most organized person I've ever met（最高级 + 定语从句）都是现成的高级句式。

四、Part 3：列举类题型与高分表达

核心要求

- "学术语言"澄清：不是生僻术语，而是精准、客观的概念化表达。Part 1 说 good at making plans, Part 3 升级为 **time management skills**。
- 客观视角：从群体角度讨论"人们"为什么这样做；答题落脚点应是对"人"的影响。
- 三大本质题型：Make a List（列举类，占题库 60% 以上）、Opinion（观点类，含预测/解决方案）、Compare（比较类）。
- 训练法——从抽象到具体：英语是低语境语言，抽象词要具体化。如 expand horizons → learn about different cultures, perspectives and ways of thinking。练习方式：录音回听，找出抽象概念，追问"具体指什么"。

列举类答题结构

1. 开头：**There are quite a few** benefits / reasons / factors when it comes to ...
2. 主体：列观点，挑 1 点详细解释或举例（不必每点都展开，避免被打断）
3. 结尾：简要总结

三个提分句型

- **The more ..., the more ...**：The more words you naturally **pick up**, the better you get at **expressing your own thoughts**.
- **Get to do sth.**（能够/有机会做某事，比 can 更自然）：You **get to** learn about different cultures, ideas and ways of thinking.
- **There be 评价句型**：There is something appealing about ...（.....有种吸引人的特质）

完整示范（阅读的好处，30-40 秒，可直接背）

There are quite a few benefits when it comes to reading. First, it **expands people's horizons** — they get to learn about different cultures, ideas and ways of thinking. Second, **input leads to output**: the more words you naturally pick up, the better you get at expressing your own thoughts, both in writing and conversation. That's why people who read a lot tend to be **knowledgeable, articulate and empathetic**.

辨析：empathetic（共情，代入角色感受他人视角）≠ sympathetic（居高临下的同情）。expand one's horizons 中 horizons 必须用复数。
