

雅思口语课笔记：事件类 Part 2 + 运动类 Part 1/3

素材来源：课堂语音转写记录 + 课件拍摄照片（已校对，修正识别错误）

一、Part 2 事件类话题框架（以"环球影城"为例）

万能三段结构（课件核心）：

段落	内容	功能
Intro	是什么 + 时间/地点/人物	交代背景
Main points	体验 + 难易程度 + 喜爱原因	展开细节
Conclusion	评价	收尾升华

高分句型与表达： - 开头： *So, this actually happened last winter holiday... I'd been looking forward to it for ages / counting down the days.* - 比喻句型： **Doing something was like...**（……就像……一样） - *Seeing that giant T-Rex up close was like stepping right into the movie.* - *Opening the exam paper and seeing a question I'd prepared for was like winning the lottery.* - *Getting back home after a long tiring day and just lying on the sofa was like being in a different world.* - 体验词： *buzzing with energy*、 *having a blast*、 *stepping right into the movies*、 *a dream come true*、 *made my day*、 *tested my patience*、 *almost backed out* - 难易程度： *I wouldn't say it was difficult in terms of skills — the only challenging thing was the waiting. We stood in line for about an hour and a half, and that really tested my patience.* - 评价收尾： *It was absolutely unforgettable. Honestly, I've been dying to go back ever since, and I'm already planning my next visit.*

可迁移素材库（课件列的两大话题池）： - 户外/运动/冒险/探索类： *go bungee jumping*、 *go skydiving*、 *go rock climbing*、 *go hiking in the mountains*、 *go camping in the wild*、 *go surfing*、 *go scuba diving*、 *visit a new country*、 *explore a new city*、 *take a spontaneous trip*、 *try local food for the first time* - 创意/挑战/技能/娱乐类： *try a new hobby*、 *learn to play an instrument*、 *perform on stage*、 *join a competition*、 *go to a concert*、 *go to a music festival*、 *go to a live sports match*、 *go to a theme park*、 *ride a roller coaster*、 *go to a karaoke night*、 *go dancing at a club*

→ 同一个"环球影城"故事可套用到 an exciting activity / a place you visited / an unforgettable day 等多个题卡。

二、Part 1: 最受欢迎的运动 (Popular Sports)

答题逻辑 (R&E: Reason & Explanation) —— 不追求标准答案，重在解释"为什么受欢迎":

1. **Easy to learn** 门槛低: *Anyone can do them, from kids to grandparents.*
2. **Really accessible** 设施方便: *You can do them anywhere* —— 公园、小区楼下、学校操场 (对比滑雪要去特定雪场)。
3. **Low cost** 成本低: *You don't need expensive equipment* (对比滑雪昂贵的门票和装备)。
4. **Time-friendly** 省时间: *A quick game takes about half an hour — that's great for people with busy schedules* (对比滑雪通常耗一整天)。

总结句: *Basically, they are popular because they are cheap, quick, and simple.*

示例回答结构: - 观点: *Badminton and running are probably the most popular sports in China.*
- 理由1 (设施/成本): *They're really accessible — you don't need expensive equipment, and you can do them anywhere, like in parks or neighborhoods.* - 理由2 (时间): *They're time-friendly — a quick game takes about half an hour, which is great for people with busy schedules.* - 理由3 (门槛): *They're easy to learn — anyone can do them, from kids to grandparents.*

三、Part 3: 为什么人们热衷危险活动 (Dangerous Activities)

三大心理动机:

1. **追求刺激与活在当下 (Thrill & Adrenaline)**
2. **adrenaline rush** (肾上腺素飙升)
3. *It makes you feel really alive and in the moment* —— 极度专注带来的"心流"体验: *All you can think about is that experience.*
4. **个人挑战与成就感 (Personal Challenge & Achievement)**
5. **战胜恐惧:** *a sense of achievement*
6. *You feel like a superhero.*
7. **逃离日常与释放压力 (Escape from Routine)**
8. *It's a total escape from boring everyday stuff.*

四、运动的好处 (Benefits of Sports) ——身心两分法

身体健康 (physical / example)	心理健康 (mental / reason)
help you control weight / lose fat	reduce anxiety and depression
improve muscle strength	help us calm down and focus
increase endurance	improve sleep quality
prevent heart diseases	boost your confidence

五、听写重点词汇

- 形容词: intense (激烈的/刺激的)、magical (神奇的)、unforgettable (难忘的)、packed (挤爆的/拥挤的)
- 搭配: scream on the rides (在过山车上尖叫)、take goofy photos (拍搞怪照片)、get the best angle/view (获得最佳视角)、have a blast / enjoy oneself (玩得开心)、made my day (让我一天都很开心)

六、校对说明 (本次修正的识别/语法问题)

1. **"Rarely accessible" → "Really accessible"**: 语音转写错误。课件原文为 really accessible, 且语义上"几乎不可用"与"受欢迎"自相矛盾。口语中 rarely / really 发音易混, 需特别注意。
2. **"kick off my day" → "made my day"**: kick off 意为"开始 (活动)", 与环球影城语境不符; 课件原文为 *it genuinely made my day* (让我一天都开心)。
3. **"stood in line for like an hour and a half"**: like 作口语填充词可用, 但更规范的说法是 *for about an hour and a half*。
